

## BIOGRAPHY

UNITED STATES AIR FORCE

### TERESA R. BICKETT

Ms. Teresa R. Bickett, a member of the Senior Executive Service, is Director, Budget Investment, Office of the Assistant Secretary of the Air Force for Financial Management and Comptroller, Washington, D.C. Ms. Bickett plans, directs and supervises the budget formulation and financial execution of Air Force and Space Force procurement, research, development, test and evaluation, military construction, family housing and Base Realignment and Closure appropriations that total more than \$94 billion annually.

Ms. Bickett entered federal civil service in 1985 as a Logistician at Kelly Air Force Base in San Antonio, Texas. She moved to Wright-Patterson Air Force Base, Ohio in 1992 and has held a variety of financial management and logistics leadership positions at Headquarters Air Force Materiel Command, Air Force Life Cycle Logistics Center and the Air Force Research Laboratory.

Prior to her current position, she served as Deputy Director of Financial Management, Headquarters AFMC, Wright-Patterson AFB, Ohio. There she was the command's chief financial civilian and was responsible for the financial planning and fiscal execution of more than 35% of the Air Force appropriated budget, to include the Air Force's research, development, test, acquisitions and sustainment programs.
