

BIOGRAPHY

UNITED STATES AIR FORCE

GEORGE E. DIEHL JR.

George Diehl is the Branch Chief of the Data Analysis Branch within the Cost and Economics Division, Directorate of Financial Management and Comptroller, Headquarters Air Force Materiel Command, Wright-Patterson Air Force Base, Ohio. His responsibilities include leading a team of analysts, cost and operations research, in the delivery of data products, data dashboard development, automation, and support FM leadership in the management of data resources & data analytics strategy development. Additionally, the team provides process improvement support, analytical training, and data analysis community support via events, newsletters, and a Teams hub.

During his Air Force career, Dr. Diehl has worked as cost analyst, AFIT director's assistant, team lead, and budget analyst. He has led, and supported, several continuous process improvement efforts, comparative analyses, acquisition strategy development efforts, and budget drills including closeout and initial distribution. Dr. Diehl has developed several analytical tools and training efforts for use at the center, command, and enterprise levels. For fun, he volunteers as Ohio's Judge Advisor for the FIRST Lego League Challenge program, which promotes STEM and robotics to elementary children worldwide.
